

Ice Bag Colour - Clear

Price £5.00

Description

A wonderful product for chilling champagne, wine or anything else you fancy drinking cold.

To use the ice bag all you do is open the bag up at room temperature , place your bottle inside , add a few cubes of ice and small amount of water wait 4-5 minutes and enjoy.

The Ice bag is fully reusable and can be used around the home, garden, picnics, BBQ's and are ideal for parties or any function such as weddings, christenings, etc.

Once you have used the Bag just empty the contents out and allow to drain, its ready to use again when required.

The product folds flat so storage is kept at a minimum and will easily fit into a draw.

The advantages of using the product are :

Uses less ice than a conventional ice bucket.

Fully reusable.

Saves on table space.

Attractive price.

The ice bag also doubles as a gift bag. It's a unique and stylish way of presenting and giving a gift.
